Flower Zap - In this piece, I wanted to achieve a 3D effect. Almost as if there is a place that exists behind the surface of the painting.

Matthew Laurence Knott - I am a multidisciplinary artist based in South Orange County, California. I am self-taught and best known for my eye-popping characters and obsession with color. Growing up I found my inspiration in comic books, cartoons, and street art. My goal is to distract viewers with my work and invoke a state of bliss and joy. My art has taken me around the world collaborating with brands such as Armani, Levono, and Samsung.
