The Wise ElderÂ was influenced by a piece of jewelry my great grandma left me to create this painting. The turquoise earring represents wisdom, and the woman's soft features give insight into her mature and calm nature.Â

Â Kortney JonesÂ *My creativity is what drives me, calms me, and keeps me alive. My childhood inspires me and reminds me never to let go of happiness. The old South West awakens my artistic spirit, and with oil as my medium, I have created some beautiful pieces that embody my thoughts, emotions, and desires.*
