“*Wild Woman*” was inspired by the strong and independent women in my life. I wanted this piece to feel strong and fierce. The large cumulonimbus clouds in the background represent the strength and power women emulate.”

Â Kortney JonesÂ *My creativity is what drives me, calms me, and keeps me alive. My childhood inspires me and reminds me never to let go of happiness. The old South West awakens my artistic spirit, and with oil as my medium, I have created some beautiful pieces that embody my thoughts, emotions, and desires.*
