#75

Starting Bid **\$250.00**

Retail Value \$600.00

You never have to touch a filthy trash can again! South Bay Can Cleaners is Manhattan Beach's first eco-friendly, ocean-safe trash can cleaning service. We provide professional trash can cleaning eliminating 99.9% of bacteria and grime using our specialized, high pressure technology. We disinfect, sanitize and deodorize your cans leaving them sparkling clean. We also capture the water from the cleaning process and take it away to be disposed of in an environmentally-friendly

manner. • This offer is for a six month subscription to our convenient, curbside service. • We will clean your cans every month (up to four cans e.g., trash, recycling, compost, etc. per visit.) Cleaning takes place once per month on the day after your regular trash pickup service. • We will email you a reminder to
