

## Louis Vuitton Bella

#19

Starting Bid **\$4,250.00**

Retail Value Priceless ★

1 Available

### Bella

The Bella bucket bag is made from Mahina calf leather with a metalized aspect. The bag's small size, perforated Monogram pattern, and attached round coin purse make it modern, desirable, and trendy. Its leather and metal braided handle enables a hand or elbow carry while the removable and adjustable leather strap has shoulder or cross-body wear. It completely sold out in the United States and the rest of the world.

Color: Light Gray
